

WARDLOGIC

Capabilities Statement

Corporate Overview

Established in early 2014, Ward Logic LLC, is a small business that provides the Government and Commercial Sectors with a wide variety of offerings. While our offerings vary, Ward Logic focuses on services related to Financial, Business, and Development Solutions.

We assist our clients in achieving mission success through our industry experience, cost-effective solutions, and trained workforce. Our services provide flexibility to our employees and allow us to focus on identifying quality opportunities, while remaining cost competitive.

Industries Served

- Federal Government
- State Government
- Government Contractors
- Non-Profits
- Education
- Public Housing

Differentiators

We have a deep understanding of the complexities of your organizations financial, compliance, acquisition, and subcontractor proposal needs. Our cost effective solutions assist your team through the proposal phase and in effectively guiding clients through advisory strategies base on industry best practices.
